You will need:

100g
butter
(softened)

50g
caster
sugar

200g
plain flour
(plus a little
extra for rolling)

1
medium egg
(beaten)

1 tsp
vanilla extract
(optional)

chocolate chips
or sprinkles
(for decorating)

1. Roll it out!

Roll your dough flat on a
lightly floured surface
(with a grown-up).

2. Cut your shapes!

Use a hedgehog or leaf shaped
cutter to make your biscuits.
No cutter? You can use a simple
template or carefully cut around
a shape with a knife (grown-up only).

3. Add the details!

Use chocolate chips or sprinkles
to add eyes and prickles.
Get creative!

4. Bake!

A grown-up puts the biscuits
in the oven. Follow the baking
time on your recipe or mix.

5. Enjoy!

Let them cool...
then enjoy your little
meadow treats!
